

- Superior energy and water savings with our innovative boilerless technology
- Intelligent design and intuitive controls for simple operation
- A real production workhorse

DONE TO PERFECTION.

SIMPLE, RELIABLE, DURABLE: HIGH-VOLUME PRODUCTS, HIGH-QUALITY RESULTS.

Nothing cooks like a steamer and nothing performs like a Vulcan. Ideal for medium to heavy production demands, Vulcan's C24EO Series Boilerless/Connectionless Steamer will win over your staff with its ease of operation, cleaning and maintenance. The Vulcan C24EO Series is one of the highest-rated EPA ENERGY STAR® steamers on the market.

Our unique steam-generating system requires no drain or water connections, eliminating the need for costly filter and deliming. Boilerless Steamers are ideal for cooking foodservice staples such as potatoes, rice and other vegetable side dishes. Contact your local Vulcan representative for other cooking applications and techniques.

C24EO3 ENERGY STAR® Certified

C24EO Series Boilerless/Connectionless Electric Steamers

Model Number	Pan Capacity 12" x 20" x 2½"	Input (kW)	Pan Capacity
