Traulsen full size undercounter refrigerators protect your product with top-notch temperature maintenance and storage versatility, while enlisting ENERGY STAR® efficiency to support your operations budget. Our stainless steel cabinets house components offering equipment durability and low operator costs. Knowing that your refrigeration storage needs can change, we offer a field installation option allowing you to easily convert a standard door into two 6" deep drawers or three 4" deep drawers.

Traulsen Full Size Undercounters: Superior refrigeration. Efficient operation. Built to last.
